3. Data subject's request

Please tick the appropriate box to specify the nature of your enquiry about your personal data.

Nature of request	Your choice
I would like to know whether my personal data is processed by the Company.	
If it is, I would like to receive information about this data processing.	
If the Company processes my personal data, I would like to know the purpose of this processing and whether the data is used in accordance with this purpose.	
I would like to know whether my personal data is shared with third parties domestically and/or internationally. If it is, I would like to know which third parties receive this data.	
I suspect that my personal data has been only partly or inaccurately processed either by the Company or by third parties to which it has been disclosed and I therefore request that it be rectified. (If you wish to make a request of this nature, you must specify which personal data you believe has been only partly or inaccurately processed. Please also explain how you believe the data should be rectified, and provide the necessary correct and supplementary information/documents to support your claim.)	
I believe that there is no longer any justification for processing my personal data. I would therefore like my personal data to be erased, destroyed or anonymised.	
I request that, if I believe my personal data has been processed only partly or incorrectly or that there is no longer any reason to process it, third parties be notified of my requests for the rectification, erasure, destruction, or anonymisation of this data. Furthermore, I ask that my personal data held by third parties also be rectified, erased, destroyed, or anonymised.	
<p>I object to any outcome derived solely from the automated analysis of my personal data that adversely affects me.</p> <p>(Please explain below the grounds for this request and the outcome of this situation and provide the supporting information and documents.)</p>	
<p>I would like to claim compensation for the damages incurred as a result of the unauthorised processing of my personal data.</p> <p>(Please explain below the grounds for this request and the damage you believe you have suffered and provide the supporting information and documents).</p>
